The smallest craters are about 30 feet in diameter and 10 feet deep. Some of the large craters are about 300 feet in diameter.

Special Recognition

Rev. Richard Campbell will long be remembered by the students of Hilltop as a study hall monitor, a minister, a teacher, and an advisor, but most of all, as a friend.

Rev. Campbell, an alumnus of Miami University where he graduated with a B.S. and McCormick Theological Seminary where he received his B.D., served as pastor of the West Unity and Kunkle Presbyterian Churches for seven years before becoming the minister at Kohr Memorial Church in Columbus, Ohio, at the beginning of 1965.

Dick, as he was known to everyone, was the regular morning study hall monitor for two years and a substitute, the third. In this capacity he helped dozens of science and math students, as well as many others, to an understanding of the subjects they studied. During his years in the community, he served as a substitute teacher in many classes. Besides being an excellent teacher, he always managed to add a thought-provoking or humorous side to the class.

Dick was without a doubt, one of the most intelligent and wisest men the school and community have been privileged to have serve them. Respected and liked by the great majority of the school, no matter how busy he was, he always had time to help, advise, or just talk to anyone.

The students and faculty of Hilltop have been proud to know and work with Rev. Richard Campbell during the last few years.

Because of expanded advertising sales, the staff is able to bring the school the largest book in the history of the school. Members of the Hi-Lites staff profited from the advice they received at the annual workshop held at Bryan High School and at Bowling Green State University early in the year.

NORTH WEST, who has earned an honorable mention in the County League is poised to shoot.

The Hilltop Cadets, having their best season since the old West Unity Rocket teams of the 1930's barnstormed through a perfect regular season and then went on to take the co-championship of the sectional tournament which this year for the first time replaced the Williams County Tournament.

One of the strongest quintets in Northwestern Ohio, under coach Walter Keller, the Cadets lost only three regular-season games by close margins, and then later had the Morenci game put in their win column because of a Michigan rule violated by Morenci.

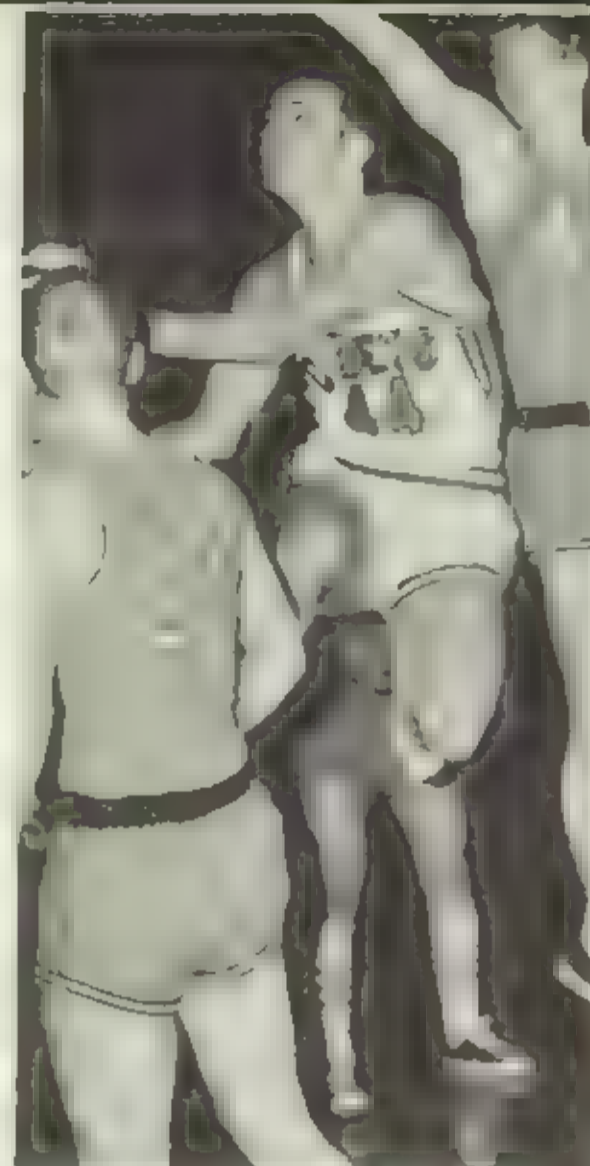

Defeating Liberty Center the seven strong men of the Cadets advanced and lost to Paulding by only two points when the clock ran out on their valiant comeback.

Ron Hornung, winner of an honorable mention rating by WCL coaches, goes up after the ball.

Norm West and Paul Gersbach close in to intercept an L.J. member as he tries to make over his way toward the basket.

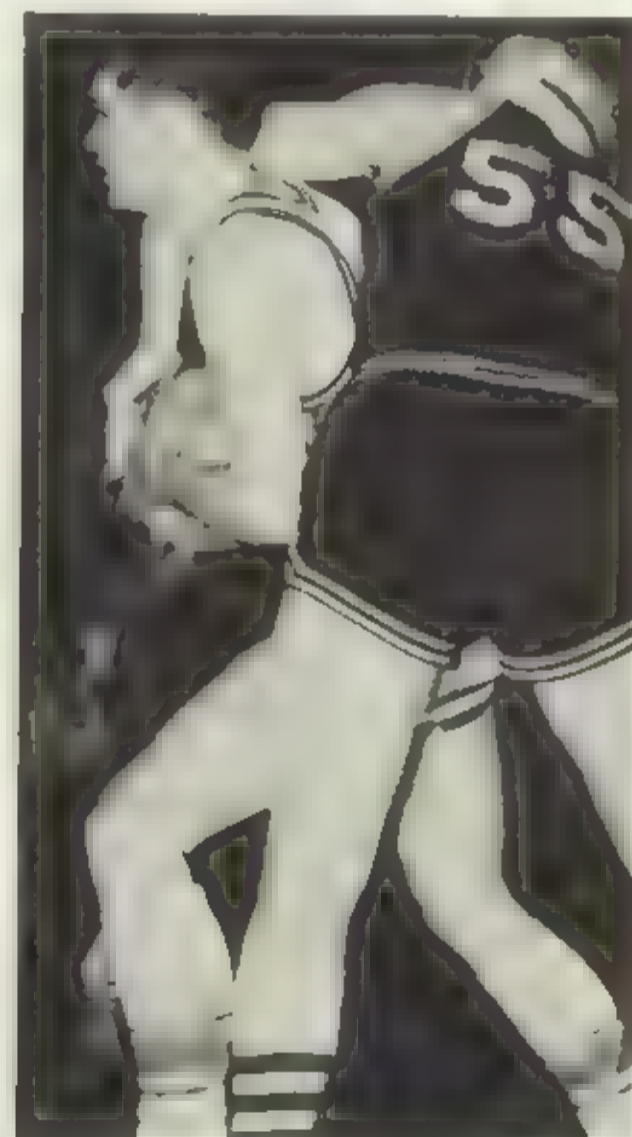

Wayne Sands seems to be in flight as he prepares to make a try for two points in the second championship against Liberty Center at Bryan.

The ten members of the 1964-65 J.V. team line up for their picture at the annual press-on snake dance.

Cadet Athletic Teams Have Successful Seasons

Below are the Cadet managers, Gerry Ruhlerv and Dan Miller, and trainer John Heer in the center,

Sports fortunes were generally quite successful at Hilltop during 1964-65. Beginning in the fall with the baseball season the Cadet nine won six of their first eight games before losing 9-8 in eleven innings to the North Central Eagles in their bid for the outright WCL championship. However, they did finish in a tie for first with the Eagles and brought back a shining trophy for the HHS case. In the spring tournament the team defeated Edon before losing to Stryker

Basketball began in November, and although overshadowed by the many winning feats of the Varsity Cadets, the other Hilltop roundball teams finished with fair or good records. The Reserve team won 13 games, while losing 7, an excellent record, their greatest margin of defeat being nine points. The Plebes finished in a tie with Stryker for first place in the county with a 7-1 slate.

With a small squad hampered by injuries and eligibility problems, the freshman team nevertheless finished with a creditable 4-6 record, their greatest loss being by nine points. The Little Cadets, finished their season in competition with other Junior High teams with a 9-6 record, including a win over Alvordton in the county tourney.

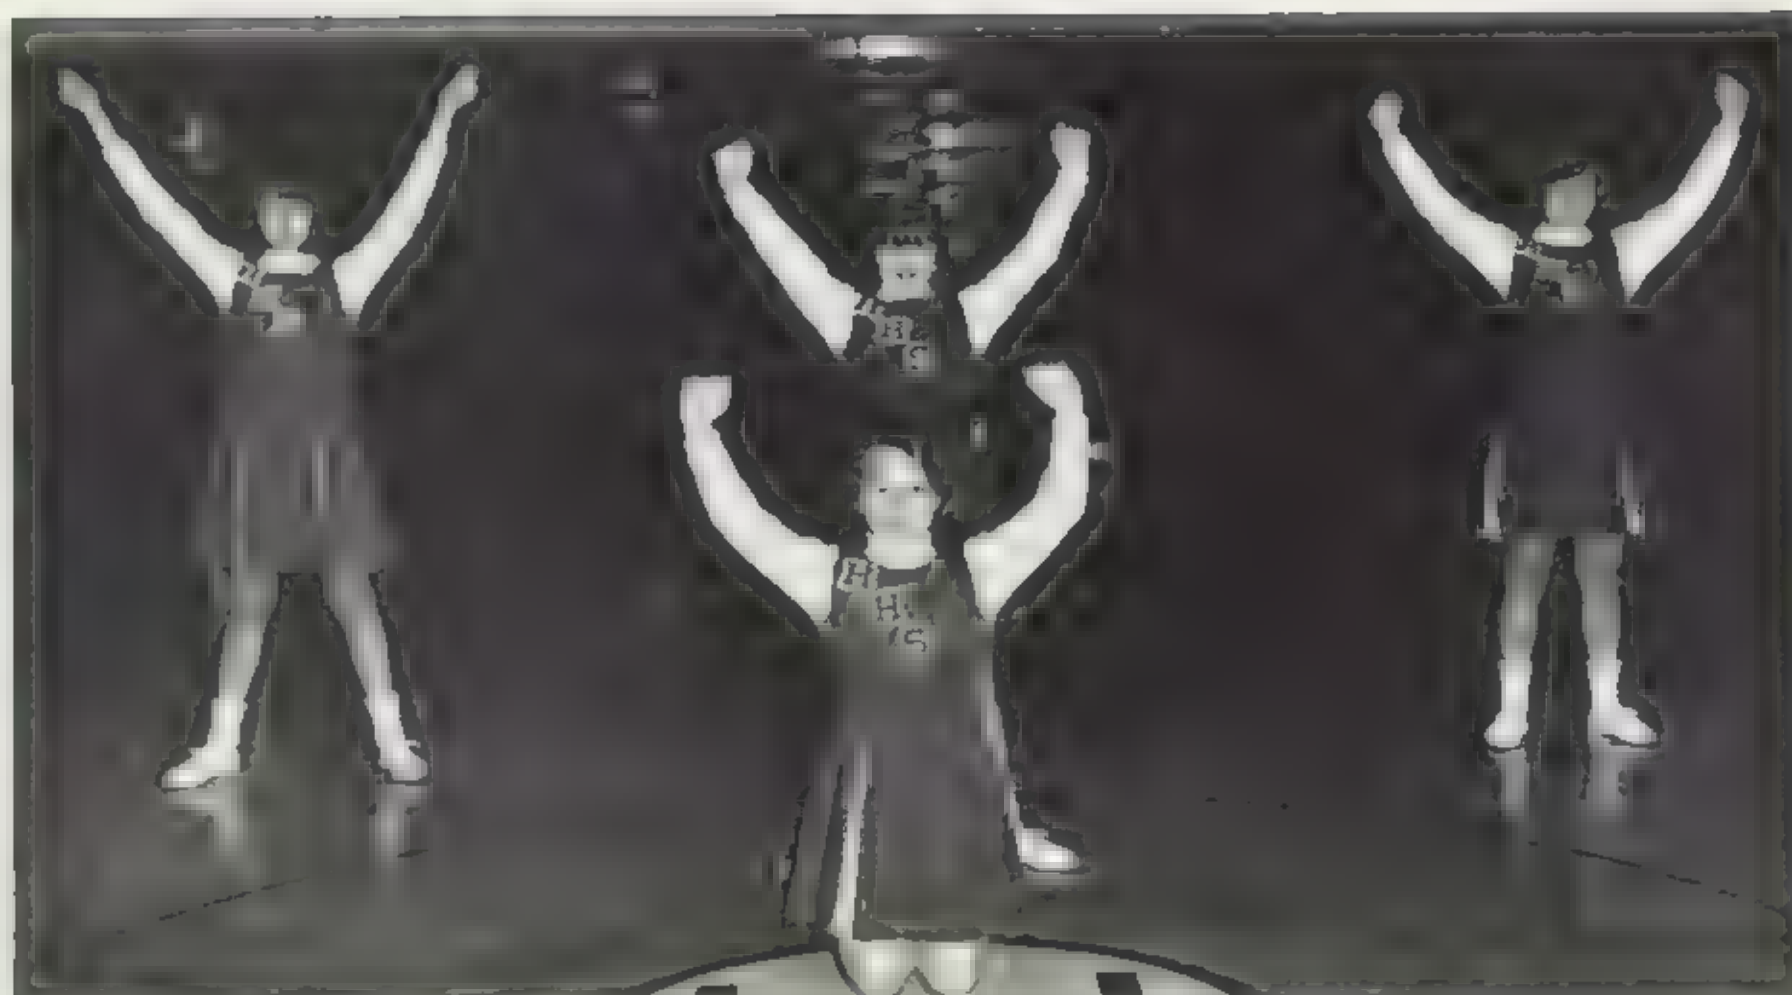

With seven Senior lettermen on the team, the wrestling squad made a significant improvement over last season, winning three out of ten matches, while competing against larger schools. Track performances, the sport being in its third year at Hilltop, continued to improve as the number of schools competing at the level grew. The outstanding cinderman was Gary Shannon, who finished second in the 440-yard run in the Sectional meet, and fourth in the District at Bowling Green before advancing to the State Class A meet.

The queen and her attendants, as elected by a Student Council assembly were Mary Jones, Queen, and her attendants, Sandra Hupe, Senior; Judy Storts, Junior; Wilda Smith, Sophomore, and Jacquie Storts, Freshman. On Homecoming night, between games, Mary and the members of her court were escorted to their places in the crowded gymnasium by members of the Cadet Varsity. Mary was crowned as Queen by Student Council President Greg Coffer during the interim festivities. The evening was in all-around success as the Reserves won their game 52-44 and the Varsity nailed the Panthers by a 67-47 score. A Homecoming victory dance was held in the gym following the game.

SCENES FROM A WONDERFUL YEAR

The task of the 1964-65 Hi-Lites staff is almost finished. The copy for the last eighteen pages has just been completed on this day in early June, and only the job of typing it into the pages remains. In a few days the last deadline will have been met in time for distribution of the Hi-Lites in the early fall.

It has been a busy year for the members of the staff. For a year in the school year, the staff was completely reorganized. Mr. Hutchins, though inexperienced as all of us were, took over the job of advisor and has succeeded admirably in organizing the staff, planning the book, putting in many hours of work on it, and motivating the staff members in their duties.

Also, for the first time this year freshmen and sophomores were accepted on the staff, so that they could gain experience and produce finer annuals in the years to come.

At first inexperienced as we all were, producing the Hi-Lites seemed a colossal task, but several members attended helpful yearbook clinics at Bryan High School and Bowling Green University. Gus Hoverson, our yearbook agent, gave us advice, and we began to gain invaluable experience. All of these things aided us in producing this book.

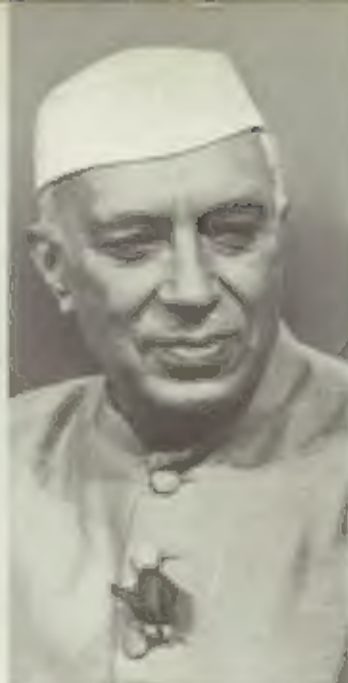

Sale of advertising was unusually successful as everyone went out Saturdays and after school to sell space in this book. There was the day that the photographer came, and we managed to finish a lengthy picture schedule on time. There were night meetings where pictures were pasted, headlines written, and copy typed. All of these things, as well as hours of planning and thought, were the experiences of the staff members and advisor.

This year we have produced the largest yearbook in the school's history—one that we hope you will cherish as a record of those memorable days of 1964 and 1965 you experienced in this school. We hope that you enjoy it.
